6. That it is the mandatory duty of the Government's Health Ministry and all Govt officials to publish the side effects of vaccines. [**Master Haridaan Kumar v. 9. That, as per the scientific research already all the population in India is Sero positive and have developed Natural Immunity.

(i) Sero survey: <https://www.hindustantimes.com/india-news/kids-adults-have-similar-antibodies-sero-survey-101623953000262.html>

10. That the said immunity is 27 times robust & stronger than the immunity due to vaccine. According to an Israeli study, natural immunity is 27 times stronger than that induced by COVID vaccines.

11. That the Natural immunity developed due to coming in contact with covid-19 virus is life long and capable to deal with different variants.

12. On the contrary the report published in Lancet shows that the covishield vaccine generated immunity is effective only for 3 months. The recent data shows that the AstraZeneca (Covishield) vaccine protection wane after three months.

13. The immunity due to booster doses is said to have effective only for 7 days. In fact, the report shows that the vaccines are causing negative immunity results.

14. That the recent studies have shown that giving vaccines to persons with natural immunity developed due to natural infection or due to coming in contact

with the virus have done no benefit to them but have much harm to the body by serious side effects.

2. <https://www.mdpi.com/2075-1729/11/3/249/html>

Noted epidemiologist Dr. Jayaprakash Muliyl, who is a core member of the National Technical Advisory Group on Immunization (NTAGI) and Chief Adviser ICMR agrees that **vaccinating a confirmed Covid-19 recovered person doesn't have any additional benefit "but there is some small chance of adverse reaction."**

15. Even Otherwise it is wastage and misappropriation of public money to give vaccines to such persons having natural immunity due to infection.

16. However some bureaucrats like Sh. Sunil Chavan, District Magistrate Aurangabad are misusing the govt machinery and working only for the welfare of the vaccine companies and pharma mafias and bringing unlawful and unconstitutional mandates for forceful vaccination.

17. Such bureaucrats are putting the life of citizens and subsequent govt officers in danger to serve their ulterior purposes.

18. Awaken India Movement (AIM) has sent details of Covid Vaccine deaths covered by media/social media in India as on **01.07.22** to various high authorities of our country.

Vaccine Deaths in India covered by the Media! File updated till Victim #15432

19. 21 European countries banned Covisheild vaccine for younger people, because a young person died in Norway after Covisheild vaccination.

Link: <https://www.aljazeera.com/news/2021/3/15/which-countries-have-halted-use-of-astrazenecas-covid-vaccine>

20. However Indian bureaucrats and few ministers, some media persons have conspired with each other and are running false narratives and conspiracy theories and thereby trying for 100% vaccination.

21. Needless to mention that the research have shown thwt the 100% vaccination is scientifically not correct and in fact shown the worst result.

In Mumbai where there was 100% vaccination in fact has the highest Covid positive cases in June 2022.

<https://theprint.in/india/maharashtra-records-highest-covid-cases-in-4-months-mumbai-sees-42-jump-in-24-hours/988817/>

22. The 100% vaccination is also illegal as it destroys the control group and if anything wrong accrued then whole population suffers.

23. Needless to mention here that it is officially known in America an amount of **Rs. 7500 Crores** was given to media to suppress the side effect of vaccines.

<https://dailyexpose.uk/2022/03/26/us-gov-1-billion-to-falsely-promote-covid-vaccine/>

24. The accused bureaucrats, ministers, mainstream media and social media are infact executing the well-orchestrated conspiracy of -

- (i) Genocide / Mass Murder
- (ii) Providing wrongful profits to vaccine companies
- (iii) Making our country poor

25. Your goodself are therefore requested to take immediate steps for prosecuting, arresting, convicting and sentencing the accused public servants, ministers, mainstream media and social media groups for their act of commission and omission under **Section 52, 115, 302, 109, 409, 336, 304-A, 120(B), 34 etc. of IPC. [State of Odisha Vs. Pratima Mohanty 2021 SCC OnLine SC 1222, Raman Lal Vs. State of Rajasthan 2000 SCC OnLine Raj 226, Kodali P. Rao vs. Public Prosecutor, AP (1975) 2 SCC 570, Regina vs. Dytham [1979] Q.B. 722]**

26. That once vaccines are administered there is no undue process and therefore immediate action is requested as the life of crores of citizens including children are in danger.

Thanking You

Yours sincerely
